NEWS NOW!

November, 2017

"Be more concerned with your character than with your reputation. Your character is what you really are while your reputation is merely what others think you are." -Dale Carnegie

Name That Newsletter

Thanks to all those who participated in our newsletter naming contest. We ended up in a tie-breaker, so it was a very fun contest. Congratulations to Room 12 (Mr. Matt's class) for submitting the winning name. Also, one of his students **Chananiah P** designed a logo to go along with the name! Pizza party on us!

Holiday Hustle

Well, 'tis the season for thankfulness, giving and sharing our gifts. With that in mind, Ms. Mary has scheduled a **choir outing** for our students to go and sing at Brookdale Assisted Living home in Mentor on **December 13th**. Both Mentor and Bedford students will be participating. Have fun!!!

Staff Spotlight

Meet...**Ms. Courtney!**

Ms. Courtney teaches grades 4-7 in Classroom #11. Her favorite quote is "Compliment more, criticize less". Her favorite hobbies are camping, crafting, cooking, nature walks and bowling. Ms.

Courtney has two fur babies. Stella is a seven-year old pug mix and Sydney is a six-year Boston Terrier mix.

Ms. Courtney has loved Christmas since she was little. One of her favorite songs is "Rocking Around the Christmas Tree" Thanks for all you do to make our students a success Ms. Courtney!

Arts & Entertainment

Contributed by: Ms Sue McGinn

This month's school wide art projects are for the classes to make thankful turkeys, centerpieces and placemats for the **School Thanksgiving Feast on Nov 21st**.

Our high school **classrooms 16 and 17** have been busy using their creative skills these past few months. Students have enjoyed learning about and using different art mediums, researching famous artists and studying art history. They have studied Impressionism, Post-Impressionism, Expressionism and Pop Art movements as well as the Elements of Art such as color, lines, 3d and much more.

This month's **Super Artist** for October is **Paul F** from Classroom 16. Paul is an art enthusiast! His favorite art period is Pop Art. Paul has visited the Cleveland Museum of Art, The Akron Art Museum, Toledo Art Museum, Philadelphia Museum of Art and the Art Museum in

Washington D.C.. Wow! This month Paul studied the Post Impressionism movement with his classmates who all created their own versions of Vincent Van Gogh's "Starry Night."

Our hallways are lined with the beautiful results of our students' hard work and talent. Also be sure to check out the display case in our main hallway, which features artwork done by **Tyler S, George S and Paul F**. Their versions of featured artist Vincent Van Gogh's Starry Night are magnificent. There is also a bio on Van Gogh, written by Paul.

We look forward to the next few months and all the art the students will learn about and create!

Display case of artwork in main hallway

Student of the Month:

Maurice - Classroom 8

This month we have TWO students who were chosen for October! Our first is **Maurice S** from Classroom 8.

Maurice has completed all assignments and has made Level 4 every day since September 5! Maurice helps with snack cart and breakfast club, and also helps take care of the classroom pets. Maurice helped decorate the class door for the Halloween door decorating contest, and has displayed expected behaviors in gym class with his peers. Maurice has been Level 5 for the entire month of October.

Maurice

Thomas – Classroom 10

Our next October student is **Thomas K**:

Thomas has been an exemplary student who has completed all classroom and homework assignments. Thomas has achieved goal every week in October, and is close to earning Level 5. One thing that makes Thomas stand out is his ability to be kind to everyone he encounters. Thomas is always willing to help his classmates and teachers without being asked. Thomas' hard work has also turned into straight A's this quarter. We are very proud of his continued growth and maturity.

Thomas is a bit camera shy ☺

Breakfast Cart Feature

Contributed by Ms Sue McGinn

As mentioned in last month's edition, Re-Ed offers both breakfast and lunch menu options to staff and students. We would like to highlight the Breakfast Cart (also known as "BC") in this edition.

Students who run the BC acquire the following vocational skills: taking food orders, shopping on a budget, managing cash flow, recording an inventory, preparing and serving hot and cold food and beverage items, food handling hygiene, customer service with a smile and being responsible for set up and clean up.

Good Works

The Bedford Campus of Re-Ed collected **101 items for donation!** Thanks to all our families who so generously contributed. The items will be dropped off at **Light of Hearts Villa** in Bedford to help families in need.

Family Forum

When was the last time you visited the Re-Ed website? **Ms Angela (Re-Ed Mentor)** has started a Speech blog. She is

posting great stuff about her work that is happening within the different classrooms. The link to her blog is on the website in the lower left corner under Classroom Links, along with the link to this newsletter. Keep checking back for more updates as they are added about staff and students! www.re-edserv.com
