## Intramural Basketball Game Re-Education Lakers vs. PEP

On March 16, 2018, The Re-Education intramural team played PEP in a game of basketball. The game began with PEP scoring the first basket. Re-Education came back with a lay-up immediately. Sebastian in room 6 mentioned that PEP players were “really tall” and were “good shooters.” Jairon in room 6 said “I felt PEP players and coaches were really supportive. I enjoyed hearing a lot of good jobs” Our players did a phenomenal job listening to their coaches, showing good sportsmanship and doing their best. The game was refereed by Mr. Tom Frisco and a special thank you goes to Ms. Renee for setting the game up and Coach Keith for assisting!

## WHAT ARE GRAB AND GO SALADS? (ROOM 25)

Ms. Daisy’s class, Room 25, enjoys doing Grab n’ Go Salads. It provides students an opportunity to work as a team and improve job skills!

“We make salads that have lettuce, eggs, croutons, tomatoes, cucumber, chicken, chick peas, Italian dressing, ranch dressing, and cheese. We serve them with a cookie and a bottle of water all for \$5.00. Because of Grab n’ Go, we get to do jobs like fill orders, making salads, approve orders, deliver salads, track orders, prep food, and accounting. We do salads every other week.” –Seth (room 25)
