Also, **Buck** the amazing English setter and his handler **Ms. Shelley** joined the therapy team with weekly visits to give students a nice dose of dog therapy. How can you not cheer up around such a sweet and gentle dog? Can't wait for their return next year!

**The Year In Review**

One more year at Re-Education Services, Inc. is coming to a close, and what a year it has been!

New Babies :

**Mr. Matt F** had his son, Carter, at the beginning of the year, **Ms. Emily** is expecting a son (in June), and **Ms. Sam** is expecting a daughter (in September).

New Places:

**Fieldstone Farm** joined the list of exceptional field trips this year, with both campuses participating in therapeutic riding for 6 weeks. The kids and teachers really loved it, and the students even received a medal at the end! Whoooooaaah that's cool!

New Beginnings:

Ms. Katie got married in December, and Mr. Benji and Ms. Lauren will also be celebrating their weddings this summer. Through all the new things, the trusted and reliable staff at Re-Ed continued to shine, providing outstanding dedication and support to the students who have captured our hearts. Thanks to all for a great year!

## Room 9

Room 9 is pleased to celebrate our student's accomplishments! We have persevered through the good times and bad, learned about the growth mindset, and how to "follow the group plan." This year, we have learned our core subjects through STEM projects, music, field trips, reading, and exploring our environment. We have hatched Praying Mantises, grown flowers, made snow and slime, and composed 3D shapes! Thanks for making this year so special!
