What's Going On Around Here?

In **Room 9** over the next few weeks we are continuing to learn about needs and wants. We will also study holiday traditions around the world. Our character development will focus on generosity and bucket filling. We are excited about Polar Express Day, and Family Day. Updates will be posted on Seesaw. ~Ms. A

Room 11 is holding a fundraiser. Their students are selling "essential oils" type products. Prices are from \$3-\$6, and include a Bath Soak product, Seasonal Sugar Scrub and a Carpet Freshener. All products are handmade by the students in Room 11 and proceeds will go toward field trips, classroom activities and snacks, purchasing ingredients for a variety of recipes, therapeutic supplies and more. In addition to making money, this teaches students vocational, social

and academic skills. **Orders due by December 3rd** ~Ms. Courtney
