Room 24 Happenings— By: Ms Marie

We would also like to let everyone in the school know we have a new 30 gallon fish tank in room 24. Our students will work each week deciding which fish are compatible for our tank and add fish accordingly.

Room 24 will also be participating every other week or so with canvas art paintings. We will be using different techniques for our paintings. The first two paintings will be done using a sponge and q-tips only. They will be displayed in the hallway by room 24 when they are finished. Room 25 will also be participating with this project.

“Goodness is about character - integrity, honesty, kindness, generosity, moral courage, and the like. More than anything else, it is about how we treat other people.

- Dennis Prager

Did you know that an Oreo cookie is like a paragraph? Ask room 1 students and they will tell you how. Students learned the writing process and Six Traits of writing using play-doh.
