

Table of Contents

1. Hygiene Routine - This should be completed each day. Follow the written or picture visuals to complete their routine. I have included washing hands, brushing teeth and washing face directions. Your child can apply deodorant without the directions.
2. Meal time jobs for Vocational - We are focusing on meal time jobs. Your child can use the written and visual directions to complete these jobs at each mealtime. The jobs I have included are setting the table and sweeping the floor.
3. Chapter 4, Chapter 5, and Chapter 6 - Science and English Language Arts (Unit on Changes in Sound and Light) Read each chapter with your child and have them complete the visual or written comprehension questions.
4. Theater Etiquette - Read the poster with your child and have them cut and paste the answer to each scenario pertaining to theater etiquette.
5. Sound in the Environment - Please read the first page Sounds in the Environment with your child. Have them then answer (cut and paste) what they would do when they hear each sound.
6. Audition Form - (Personal Information) Read the information to your child and have them complete the audition form. Give them a near visual if they cannot write the information on their own.
7. Money - Next Dollar Up, Addition and Subtraction of money. They may use a calculator with this and will need directions read to them.
8. Daily Buzz - Each Day complete a daily Buzz for what they did for that day.
9. Food Pyramid Graphing - For one week track what your child eats and moves throughout their normal routine. I have also included some health coloring sheets.

Please complete this work and return the packets to school with your child on April 6th. You may contact me by email at klieb@re-edserv.com with any questions.
