Speech

A note from your child's speech therapist

Dear Parents,

During this unprecedented time, I wanted to take a moment to connect you with resources to continue the speech and language development of your children.

Please check the Re-Education Services web page <http://www.re-edserv.com/> as information is frequently being added. On the left side of the front page of the website, there is a link called Ms. McVicker's Speech Blog <https://angelamcvslp.wordpress.com/>.

Over the next three weeks, I will be adding materials and information that you can use in order to keep your student engaged and learning. I will add materials as quickly as I can so if you don't see what your student needs please check back again.

I will be checking my email on a regular basis and will be available to answer any questions that you have about speech therapy, behavior tips, provide visuals you might need and to help you develop schedules. Please contact me at [amcvicker@re-edserv.com](mailto:amcvicker@re-edserv.com) and I will do my best to help meet your specific needs.

I consider it an honor and a privilege working with your child. Together we can do our best for students during this unusual time.

Sincerely,

Angela McVicker MA, CCC-SLP

# Smart Guess - Wacky Guess

## Student Worksheet

Name \_\_\_\_\_ Date \_\_\_\_\_

**Smart Guesses** are guesses you make based on some information you have already learned. When you make this type of guess you try and figure out the next logical piece of information based on what you already know.

**Wacky Guesses** are guesses you make when you do not have enough information. Wacky guesses are when people try and make you guess something you have no information about. Teachers do not usually ask you to make these guesses in your school work.

### List 3 Smart Guesses You Can Make

Make one smart guess about what your mom will do tonight when she is home.

Make a smart guess about what your teacher is going to teach in your next Math class.

Make a smart guess about what you have to do as soon as you get to your class in the morning.

### List 3 Wacky Guesses You Can Make

**Shelby and Karissa share a bike. When it is time to go to school, only one can ride the bike and the other will walk to school with their dad. What is a deal Shelby and Karissa can make to decide who rides the bike today?**

**When Matt and Mark are deciding what to eat they can't seem to agree on a restaurant. Mark wants to eat at McDonalds and Matt wants to eat at Taco Bell. What is a deal that Mark and Matt can make?**
